“ I was highly impressed with seeing how **Ontario Cricket Academy & Club** is promoting cricket in Canada. With highly trained coaches, I really loved the atmosphere of the team when I played with them. My interaction with young budding cricketers was very pleasing.

I'd like to congratulate Derek and the whole coaching staff for taking this initiative of providing this wonderful infrastructure to the young players and giving them the opportunity to showcase their skills. Wishing OCA all the very best and looking forward to being a part of it soon!
